When Playtime Can't Wait

# Out the door in 24 hours

Don't delay playtime for young ones and watch as they make new friends and practice their fine motor skills. Order today and welcome tons to a range of activities and adventures in no time.

**KidsTale specializes in designing, manufacturing, and shipping quality playgrounds to fuel the imaginations of children. Our QuickShip range of playgrounds is the perfect option for when playtime can't wait. If you're looking for a playground solution to fit daycares, multi-family housing, schools, and organizations that want to improve its facilities, KidsTale won't disappoint.**

At KidsTale, we decided to maintain an extensive inventory in our new mega-warehouse which allows us to ship within 24 hours after your order has been confirmed. The QuickShip playgrounds come in a variety of sizes, so you're bound to find a model to suit your playground size without sacrificing activities. When you order a KidsTale playground you'll have peace of mind that the structure is protected against the outside elements. The steel handrails, barriers, gates, climbers, and 3.5" OD steel support posts are coated with a polyester powder coat finish for lifetime protection. The decking and stair parts

are made with 12-gage steel encased in durable PVC coating with the same high standards as the powder-coated steel parts. Plastic slides, panels, roofs, and climbers are made in rotational molds with composite resins that provide a high UV breakdown resistance ensuring the playgrounds look as good as new throughout the years. The raw materials for the HDPE (high-density polyethylene) climbers are made in our factories to ensure high-quality control and long-lasting playgrounds.

**QS-22116**

Age Group: 2-12  
 Activities: 8  
 Capacity: 20-24  
 Use Zone: 32' x 28'  
 Fall Height: 5'-0"

**Whirlwind Tower**

Kids will soon find themselves in a whirlwind of fun, excitement, and a whole lot of laughs as they make their way up and down this playground. The Whirlwind Tower offers the option to add a shade screen for playgrounds out in the open. Different slides and climbers welcome up to 24 toddlers and younger children to play together and make new friends.
